

WARRANTY TERMS Irritrol Systems Line

Irritrol Systems Europe S.R.L.warrants all products of the below stated rangers for a period of:

Controllers	Irritrol Systems	3 years starting from manufacturing date
	Ecosystems, IT-TT Junior series	2 years starting from manufacturing date
Valves	US Series	3 years starting from manufacturing date
	Euro Series	2 years starting from manufacturing date
Sprinklers	Irritrol Systems	3 years starting from manufacturing date
	Others	2 years starting from manufacturing date
All Others (including accessories)		1 year starting from manufacturing date

Warranty covers damages due to defect of design, material of manufacturing process. The products must be used following the instruction given in instruction manuals and product catalogues information. Improper use of goods or improper installation will cause the warranty to expire.

Warranty is limited to the replacement or repair of defective goods (at the judgment of our Technical Dep.), excluding completely any other responsibility, especially any indemnity or liability for damages caused by the use of our products.

If a defect arises in a product or part during the warranty period, you should contact your local Authorized distributor.

Nobody can modify or alterate the terms and conditions of this Warranty.

Irritrol Systems Europe S.R.L. can modify the design and specification of their goods at any time without any obligation to replace distributor stock or final user goods.

Our Sales Area Manager must APPROVE replacement or repair of goods. A specific document must be signed for agreement and goods and the goods must be available for inspection. The Area manager will decide if the goods should be returned to our Warehouse or be destroyed in place.

Transport cost of goods to be repaired is at distributor charge
